

TEDDY PLAYSUIT  
LEGG CUFF SIZES & TUTORIAL

## TEDDY PLAYSUIT TUTORIAL LEG CUFFS

**Legg cuffs measurements:****9-12m:** 26cm x 5cm**18m:** 30cm x 5cm**2y:** 34cm x 5cm

**Step 1** Sew the playsuit according to the pattern instructions. Cut the leg cuffs and fold them in half lengthwise.

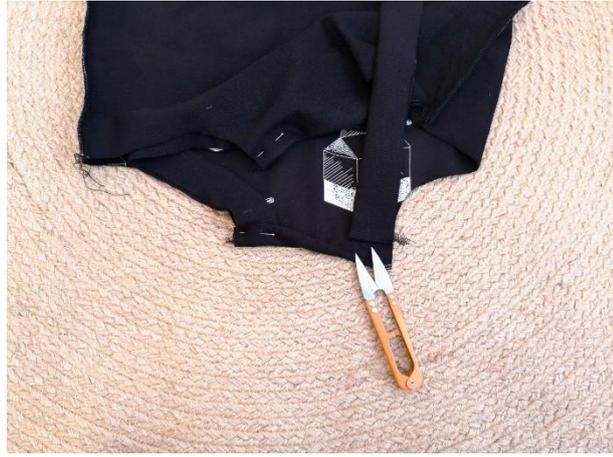

**Step 2** Sew the short sides of the leg cuffs.

**Step 3** Turn the cuffs inside out and align them, right sides together, with the leg opening. The small end of the leg cuffs meets the fold of the crotch piece.

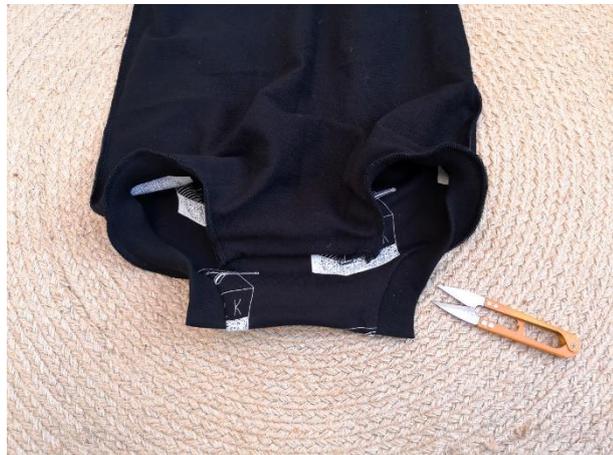

- Step 4 Turn the folded side of the crotch piece over the leg cuff and pin in place. Do this for both leg cuffs and both sides (front and back pattern piece).

- Step 5 Pin the middle of the leg cuffs onto the middle of the leg opening.

- Step 6 Sew the leg cuffs. You will have to stretch the cuffs between the pins. Afterwards, fold your cuffs right sides out. You notice that the folded side of the crotch piece is back in place.

- Step 7 Add the buttons to the cuffs and to the crotch piece. You're done!
